Recap of attachments

In 1980 I was charged with embezzling \$852. I plead guilty and was placed on 5 years probation. In 1982 I violated probation when I was charged with writing fraudulent checks. My probation was revoked and I served the remaining time (18 months) in Federal custody.

It was my belief these events were expunged from my record and was not reportable.

I became employed with State Farm Insurance Company in Columbia, South Carolina August 1986.

In November 1990 I was transferred to Atlanta Georgia and in January 2005 was again transferred to Jacksonville, Florida.

While in Jacksonville my new position required an adjuster license for Florida as well as several other states. During my background check it was discovered the events that took place now 28 years ago had not been expunged from my record and was in fact reportable.

State Farm Insurance placed me in a clerical position until I could obtain licensing
